

Key Risk is a leading provider of workers' compensation insurance products and services for employers throughout the eastern United States.

The Key Risk Difference

At Key Risk, we are 100% focused on workers' compensation. We offer clients over 25 years of expertise at the local level, and solutions that exceed the expectations of our agents, their clients, and the self-insured employers we support.

We are dedicated to building long-term relationships with Key Alliance™ agencies and clients. Every employer we insure receives guidance from a dedicated risk management professional and complimentary access to safety and risk management resources, including featured webinars on pertinent safety topics. Through this ongoing commitment to innovation, continuous improvement and education, we attract and retain associates with a unique blend of workers' compensation expertise and a passion for excellence.

Enriching each client's risk management strategies, we create and execute comprehensive solutions proven to protect people and support businesses. In fact, in a 2014 study, agents said that "service" was the top reason they think of Key Risk first for their workers' compensation needs. Through our proactive approach to risk management and our commitment to a high level of claims service, we offer our clients the support they need, exactly when they need it.

W. R. BERKLEY CORPORATION

About W. R. Berkley Corporation

W. R. Berkley Corporation, founded in 1967, is one of the nation's premier commercial lines property casualty insurance providers. Each of the operating units in the Berkley group participates in a niche market, requiring specialized knowledge about a territory or product. Our competitive advantage lies in our long-term strategy of decentralized operations, allowing each of our units to identify and respond quickly and effectively to changing market conditions and local customer needs. This decentralized structure provides financial accountability and incentives to local management and enables us to attract and retain the highest-caliber professionals. We have the expertise and resources to utilize our strengths in the present environment, and the flexibility to anticipate, innovate and respond to whatever opportunities and challenges the future may hold.
